

Black Angus Cabernet Sauvignon

2022

95 POINTS

Sam Kim | Wine Orbit

February 2024 *Rich and complex, the inviting bouquet shows blackcurrant, dark plum, warm spice and cedar characters with a hint of tobacco. The concentrated palate is both refined and opulent, delivering silky texture backed by layers of fine, chalky tannins. Gracious and engaging with a persistent, structured finish. At its best: now to 2037.*
