

# WEE ANGUS

## Merlot – vintage 2022

Wine	Wee Angus
Producer	Aberdeen Wine Company
Winemaker	Hamish MacGowan
Variety	Merlot (100%)
Region	Central Victoria (Goulburn Valley 62% / Heathcote 39%)

## Tasting Notes

Sharing the same impeccable breeding as its big brother. The youthful exuberance of Wee Angus is revealed through the gentle plummy characters of Merlot. Deep purple-red hues. A subtle touch of vanillin oak and a generous finish combine to create the perfect accompaniment to your next barbeque. Will continue to improve over the next 2-4 years.
