

GRAVEL TRACK GSM 2020

Gravel Track pays tribute to the long gravel and limestone track that winds its way through our historic 60-year-old Farms vineyard.

WINEMAKING

Sourced from premium vineyards in the Barossa, this wine was fermented at cooler temperatures for ten days followed by secondary fermentation and maturation in a combination of French and American oak for twelve months to add greater complexity and depth to the wine.

TASTING NOTES

Lifted aromas of red cherry, raspberry and cranberry complemented by hints of lavender musk aromatics on the nose. A silky palate, with red fruits dominating, cherry, rocky road, and subtle earthiness and clove spice. Soft, mellow tannins and bright acidity on the finish.
