

Gravel Track Shiraz 2023

Gravel Track pays tribute to the long gravel and limestone track that winds its way through our historic 60-year-old Farms vineyard.

Winemaking

Sourced from premium vineyards in the Barossa, this wine was fermented at cooler temperatures for ten days followed by secondary fermentation and maturation in a combination of French and American oak for twelve months to add greater complexity and depth to the wine.

2023 was a historically cooler than average in the Barossa, with harvest 3-4 weeks later than average. With a wet spring, soil moisture levels were high. Budburst was even and the growing season saw sunny days and even ripening. The wines from 2023 have excellent purple fruited purity, elegant lifted aromatics and fine tannins.

TASTING NOTES

Vibrant plum and blackberry characters on the nose with hints of chocolate and earthiness flow through to a rich, bold palate packed with dark fruit flavours. Juicy and fruit driven, powerful yet elegant and with hints of black pepper spice through the mid-palate lead to a rich, velvety tannin finish.
