

BEENLEIGH

DOUBLE CASK 5 YO RUM 40%

To craft a range of world-class rums, Beenleigh Artisan Distillers start by using only the finest ingredients: pure Queensland rainwater, premium molasses and their own proprietary yeast. But by far the most important ingredient is the passion and dedication of their team of artisan distillers.

With a delectable front palate packed full of caramel, spiced oak and toffee apple notes, this outstanding 5 year old rum then gives way to its honey, oak and lingering floral characters.

Handcrafted with the utmost care and precision, it has been expertly aged first in ex brandy vats then finished in ex bourbon barrels. Resulting in a rich, golden rum that clings seductively to your glass allowing you time to savour every delightful nuance.

We highly recommend you enjoy it neat or over ice.
