2018

## 5 STARS

**Winestate Magazine**

May/June 2018 *Oak tending to dominate the red fruit on the nose with a 'very complete palate', that's soft and generous and loaded with toasty oak and spicy sweet varietal fruit.*

## 91 POINTS

**James Halliday Wine Companion 2019**

2019

*Round, juicy and fully loaded. Blue to black fruits all, with lilac floral scents providing lift and an elegance. There is a gentle tannic rasp, serving the wine well, while providing direction across the palate. A punctuation mark of anise, too.*
