ORIGINAL PALE ALE

AUSTRALIAN LIQUOR INDUSTRY AWARDS

October 2014

Australia's Best Full-Strength Beer

DRINKSBIZ

June / July 2016

The quintessential Aussie summer pale ale. Coopers has been brewed by the Cooper family for over 150 years. The distinctive sediment in the bottle should be incorporated into the pour by rolling the bottle briefly before decanting. The pale ale is a light, crisp ale with fruit notes and a mineral finish, perhaps due to the sediment. Effervescent and easy to drink, it cries out for a Melbourne garden bar and maybe a chicken parmigiana.
