The 2021 Ashmead, a beautiful single vineyard Barossa Cabernet, radiates with strong blackcurrant fruits enhanced by touches of cedar and eucalyptus, all with superb purity and focus. Beautifully proportioned, it delivers vibrant sweet fruits underpinned by firm, mouth-coating tannins. All bound up tight now, so it definitely needs time to blossom.

The season has allowed the wine to express and capture the true varietal characters of cabernet with a dominant blackcurrant and blackberry character. Dig deeper and then you get a richer dark chocolate with that subtle sagebrush touch you often see in this region. Doesn't get the oak of the Command with a mix of new and seasoned French oak for only 18 months. It's one of the best yet under this label.

2021 Elderton Ashmead Cabernet Sauvignon is a particularly attractive modern Australian claret style with inky cassis chinotto aromas with espresso notes, fine grainy touch grippy tannins, underlying savoury notes and well-integrated acidity. It finishes firm and long with lovely sweet fruit notes.
