## 2016 E Series Shiraz / Cabernet Sauvignon

### History

The Ashmead family began their wine adventure when they purchased the Elderton vineyard in 1979 and first released wines from the Estate in 1982. Today, Elderton is run by second generation brothers, Cameron and Allister, and together they work to uphold the values and traditions that were originally set by their parents. They also work to stay true to great Australian winemaking history. It is their belief that Shiraz and Cabernet Sauvignon are made to be blended with each other in Australia, and hope you really enjoy this wine.
