*Fruity and friendly, the wine is nicely fragrant on the nose with sweet plum, pomegranate, floral and subtle spice aromas. The medium-full-bodied palate is juicy and rounded with smooth mouthfeel, making it delightfully enjoyable. At its best: now to 2026.*

*A very modern expression of Shiraz with scents of raspberry and tart cherry, there's a ripe pure fruit quality then scents of earth and toasty wood from smoky clove and toasty barrel to hard clay and iron sand. Firm and dry as the wine touches the palate, fleshy red berry fruit flavours mirror the bouquet as does the earth and wood statements. Well made, youthful and fresh. Best drinking from late 2023 through 2029.*
