## Signature Shiraz 2023

**Grape** Shiraz

**Region**

**Colour** Ruby Red

**Aroma** Fresh red berries with hints of cedar and spice

**Palate** A luscious fruit driven wine with upfront fruit sweetness. A well-balanced wine with integrated, soft tannins giving hints of spice.

**Notes** Shiraz is a favoured grape variety, most loved for its luscious fruits and spicy notes. As a variety it takes well to oak its versatility extends to food pairings which makes it a great accompaniment to most meals.
