VINTAGE CONDITIONS

The fruit for this wine was sourced from our vineyards in South Eastern Australia. The climate is hot with high evaporation rates and generally low rainfall, making irrigation essential. The climate is also continental, resulting in long sunny days and noticeably cooler nights. Long sunshine hours ensure fruit ripens fully and low relative humidity results in little incidence of disease.

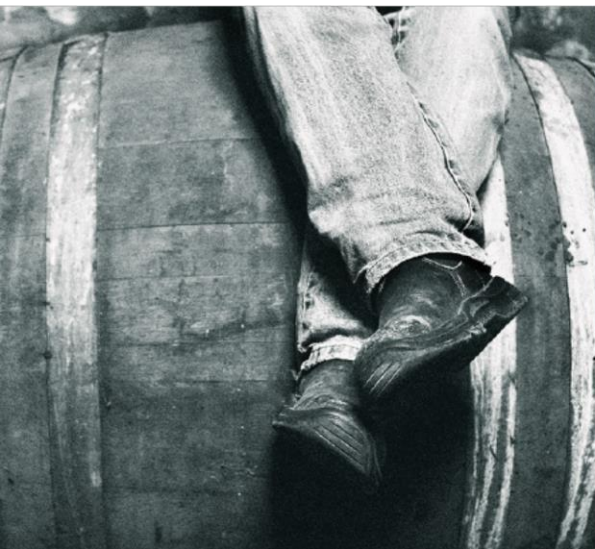

WINEMAKING

The grapes were crushed and de-stemmed where it was then fermented on oak for 5 to 7 days. The majority of the wine is then matured in stainless steel tanks. Post-fermentation, components are then blended, stabilised and clarified allowing the winemaker to create this smooth, approachable fruit-dominant wine.

TASTING NOTES

A smooth and vibrant Shiraz exhibiting rich aromas of red berries, black fruit, black pepper and hints of spice. The full rounded palate displays generous ripe berry fruit flavours, soft tannins and a long lasting finish.

Pairs well with a range of dishes including tomato based pasta dishes or rich red meat dishes.
