August 2020   *Moss Wood's Bordeaux blend of cabernet sauvignon, merlot, malbec and petit verdot. Deep but bright crimson-purple foretells what is to come: a rich yet refined medium-bodied wine, oak and tannins present but not the least obvious.*

December 2020   *This is a blend of cabernet sauvignon merlot malbec and petit verdot from the Glenmore Vineyard just north of Yallingup. This a cracker and as good as any under this label. Seamless tannin, and oak integration with some exceptional powerful yet refined fruit.*

December 2020   *Moss Wood is a pioneering estate and its flagship Cabernet is much collected. Amy's is the forward-drinking version of the Cabernet and is spectacular in the 2018 vintage.*

April 2020   *An attractively fresh array of mulberry and red-plum aromas with a rose-like floral edge, too. The palate has a very supple, succulent core of fleshy, sleek tannins that carry bright raspberry and mulberry flavors fresh and long. Great balance and vibrancy here. A blend of cabernet sauvignon, merlot, malbec and petit verdot. Drink now.*

April 2020   *A blend of cabernet sauvignon, merlot, malbec and petit verdot. Elegant, supple red with plum, blackberry, sweet herbs, green olive, cedar and spicy oak flavours. A core of sweet fruit gives the wine accessibility, but it has the density and structure to age very well.*

April 2020   *Cabernet sauvignon, merlot, malbec, petit verdot) Deep, youthfully bright purple/red colour, with a lovely cassis, mulberry and blueberry aroma, the palate rich, essency and fruit-sweet, with stacks of glorious berry cabernet flavour. The tannins are soft and fine-grained, mild-mannered and the wine is already drinking superbly. Blueberry and violet overtones. Fruit drives the wine.*
