

# Amy's Cabernet Blend

2021

93 POINTS

**James Suckling | [Jamessuckling.com](https://www.jamessuckling.com)**

June 2023

*Ripe and pungent, fruity and complex, aromas of blue and red berry fruits, barrel spices, a touch of chocolate and a savoury herbaceous complexity. Youthful, vibrant and enticing. Plush, ripe red berry and plum fruit flavours touch the palate first followed by black currant, blackberry and red apple skin. rose and oak flavours meld together. A bold structure from tannins and acidity with oak set the structure in place and for power and ageing. A vibrant youthful expression with time on its side. Drinkable today with high protein fare, or best cellared till 2026 then drinking through 2036+.*
