MOSS WOOD 2020 AMY'S

TASTING NOTES

Colour and Condition:
Deep, brick red hue; bright condition.

Nose:
The aromatics in this wine are a pleasant mix of all of the varieties in the blend. Blueberries, violets and red currants from the Cabernet Sauvignon, red fruit and watermelon from the Malbec, dark berries and jubes from the Petit Verdot and blackcurrant and mulberry from the Merlot. Complex background notes of cedar, earth and tobacco are also apparent with very soft oak notes.

Palate:
The palate is characterized by the red and dark fruits with fantastic length and generosity. Concentrated black fruit flavours with firm but balanced tannin and acidity. There is plenty of appealing juiciness with lively fruit flavours of blackcurrant and mulberry.

Cellaring:
We make the Amy's in a style specifically intended for early drinking. Short term cellaring of around 5 years will reward with some further complex characters, however, we recommend that this wine is enjoyed for its attractive young fruit flavours.
