August 2023

*Lifted aromas of smoked meat, dried herbs, mulberry, dark cherry and spice. Youthful, full flavoured and inky on the palate. Plum, raspberry, sweet oak and spice are all at play. There's lovely brightness from the acidity and the tannins deliver texture and mouth-feel*

November 2023

*Attractively ripe and fragrant with dark plum, raspberry, floral and subtle spice aromas on the nose, it's mediumfull and smooth in the mouth with bright fruit flavours backed by fine texture and silky tannins. Beautifully rounded and lingering with plenty of tasty flavours.*

February 2024

*Charming and inviting, the fragrant bouquet shows sweet plum, dark cherry, clove and toasted almond characters, leading to a beautifully rounded palate delivering supple texture, finishing lingering and fruity. At its best: now to 2030.*
