

PRESS+BLOOM®

+++++

PROSECCO

+++++

Delicate pale straw colour

+++++

On the nose, gentle notes of fruits and flowers intertwine. White jasmine and orange blossom burst out while green apple, lemon & lime, and nectarine lend pronounced fruit intensity. Hints of honey and pear drops add a confectionery touch to the finish.

+++++

On the palate, it is light in body yet full in flavour. A stone fruit character, featuring pear, white and yellow peach takes the lead. Citrusy, zesty notes reminiscent of lemonade and yuzu play in harmony. Balanced by bright acidity and a creamy, delicate mousse refreshes the taste.
