#### The Real Review

July 2024

*Lovely bright and lifted aromatics of dried herbs, blackberries, cedar and spice. Flavours are youthful, mid to full in flavour with plenty of blackberry, mlberry and dark cherry, teamed with granular, textured tannin and bright acidity. Plenty of components that combine to make this a sure bet for the long haul.*

*Bright red varietal fruit nose with a sicy edge and a firm and spicy blackberry and cassis fruit palate.*

*Stylish and complex, the wine shows cassis, toasted spice, cedar and dried herb aromas, followed by a concentrated palate offering terrific depth and weight. Robust and structured with fine-grained tannins, it's varietally true and seductively appealing. At its best: now to 2032.*
