December 2022 *Bright and clear with a persistent bead, aromas of fresh green and yellow apple, pear and white fleshed stone fruits. There's also a bright white floral note with a fine lees quality. Just dry on the palate with a voluminous mushrooming soft mousse quality, plenty of acidity and crispness with flavours that mirror the bouquet. With just 11.5 % abv the wine has a decent weight and creaminess as well. Best drinking from day of purchase through 2025.*
