Cameron Douglas MS | camdouglasms.com

September 2020 *This classic blend of Grenache, Shiraz and Mouvedre showcases aromas of black fruits and dark raspberries, baked plums and baking spices, pepper and toasty oak. Additional aromas of red licorice and pepper, olive and follow, but are more powerful on the palate. Plenty of sweet red fruit flavours with a touch of soft brown sugar, medium acidity with firm youthful tannins and warming alcohol, toasty almost charred oak flavours suggest clove and vanilla, nut and spices. Balanced and well made. Ready to enjoy from today and through 2024.*

September 2020 *Perfumed and instantly appealing, the bouquet shows Black Doris plum, blueberry compote, violet, thyme and dark cocoa characters, leading to a richly textured palate that's wonderfully ripe and flavoursome. It's fabulously charming and satisfying with loads of tasty flavours. At its best: now to 2028.*
