### Halliday Wine Companion 2021

August 2020     *89% cabernet sauvignon, 6% malbec, 5% petit verdot. Grapes are sourced from the Wallcliffe (75%) and Wilyabrup. It offers attractive varietal flavours and has just enough sternness to give you confidence in its future. It tastes of blackcurrant, violet, eucalypt and milk chocolate, everything served in velvety form.*

### Ray Jordan | The Western Australian

July 2020     *One of the many classy cabernets made by Xanadu's Glenn Goodall. This is more obviously a fruit driven style but there is still that classy winemaking stamp on it. Plush and generous with excellent fruit concentration balanced with fine tannins and some decent French oak.*
