Huon Hooke | The Real Review

November 2022 *Very deep, bright purple red colour, very youthful fresh mulberry, cassis cabernet fruit soaring up front. Lovely elegance and purity, not a big wine but nonetheless concentrated and long with beautiful linearity. Shows a deft and gentle touch with oak. Sheer beauty.*

Huon Hooke | The Real Review

November 2020 *Very bright, youthful, deep purple red colour, with a lovely bouquet of blackberry and cassis, oak making a subtle contribution, the palate intense and powerful. Full bodied but not big or anywhere near blockbuster, the tannins abundant and supple, fine grained and persistent for the entire palate. An utterly gorgeous wine, cabernet characteristics well in evidence, but already complex, profound and multi layered. Wonderful flavour and precision. Proigious length, seamless harmony and great potential although its a great drink now.*
