July 2024

*This pale pink wine has lively aromas of white peach, wet stones, blood orange and spring flowers. Fresh flavours of green apple, peach and tangerine combine with great minimalism and a pleasant white pepper finish.*

*On the nose, it seduces with its straightforwardness, developing aromas of watermelon, strawberry, raspberry, and flowers. On the palate, it is equally appealing, with a frank attack that perfectly reflects the aromas perceived on the nose. The whole is delicate and supported by a chiselled freshness that gives this cuvee all its brilliance.*
