November 2022 *It's gently lifted on the nose with ripe peach, rockmelon and red apple characters with a touch of oatmeal complexity. The palate is smooth and supple with elegant weight and fine texture, finishing mellow and friendly.*

December 2022 *Aromas of white peaches and apples, some fresh citrus then vanilla spice from gently smoky wood. Crisp, and firm as the wine touches the palate then relaxes to show a light satin texture. Flavours of stone fruits and citrus lead to some wood flavours youthful textures. Well made and balanced, ready to drink from 2023 through 2026+.*
