March 2026 *A light-creamy mouthfeel frames flavours of peach and lemon, vanilla and apple, grapefruit and buttered croissant. A dry wine with medium+ weight and satin-cream touches. Light oak seams with a vanilla quality and flavours that deliver a persistent and fresh and lively quality. Best drinking from day of purchase through 2028+. With or without food.*

March 2026 *Pristine and elegantly fragrant with aromas of apricot, rockmelon, and citrus peel, it's juicy and beautifully rounded in the mouth, delivering bright fruit flavours with smooth texture and crisp acidity, finishing refreshing and friendly. At its best: now to 2027.*
