Brightly expressed and inviting, the wine shows sweet cherry, Gala apple, and subtle spice aromas on the nose. It's juicy and finely textured in the mouth, delivering youthful fruit flavours with fine acidity, making it vibrant and delightfully drinkable.

Bright, refreshing and fruity with flavours of yellow and red plums, roses and strawberry macaron. Crisp and just dry with core flavours of berries and melon repeating and framed by a gently salivating acid line and length. Well made with best drinking from day of purchase through 2027. Serve chilled.
