

Château Le Bournac

2023

92 POINTS

Cameron Douglas MS | camdouglasms.com

March 2025 *Dark red appearance with a pink rim lead to a bouquet of youth, freshness and varietal signatures of cabernet and Merlot, dark berries and plums, black currant and olive, a soft savoury quality and stony gravel seam. Some firmness as the wine touches the palate with fine chalky tannins, plenty of polish and style, flavours of dark berries and plums, some chocolate and smoky wood tones. Balanced and well made with medium+ length and moderate complexity. A wine that can be enjoyed from today through 2029.*
