March 2026

Attractively fruited and inviting, the bouquet presents dark plum, olive, thyme, and toasted almond notes, leading to a medium-full-bodied palate that's supple and lingering. Splendidly structured by loads of polished tannins, finishing elegant and dry.

The bouquet and palate delivers a smooth texture with core red berry fruit flavours of blackberry then plum, then some hints of hay and tobacco, clay and stone. Dry, fruity and persistent red fruit flavours woven through and earthy yet refreshing theme. Balanced and ready to drink from day of purchase through 2029.
