Youthful, bright, fresh red fruit aromas layered between scents of oak spices, river stones and violets. There's a tobacco, hay and herb layer along with aromas of plums and blackberries. Nice weight and tension with firmish tannins and plenty of acidity. Blackberry and currant along with plum and oak spices layer in depth, complexity and varietal signatures. An immediately approachable Bordeaux style, best enjoyed with food. Best enjoyed from 2021 through 2026.
