Beautifully composed and styled, the fragrant bouquet presents dark plum, wild strawberry, mixed spice, and assorted nut aromas. It's succulent and rounded in the mouth, delivering excellent fruit intensity and supple texture, wonderfully framed by fine-grained tannins, finishing long and flavoursome.

A bright and fruity expression with classic scents and flavours of plumes and blue fruits, some cherry and violets then a stony mineral quality. Dry, fine tannins add a light dusty texture with the acid line at a medium level. Classic, balanced and well made with the voice of southern Rhone and the Chapoutier style sound and well spoken. Best drinking from day of purchase through 2030.
