November 2020 *Sweetly fruited and fragrant, the wine shows Black Doris plum, toasted spice, almond and subtle game notes on the nose, followed by a beautifully supple palate delivering ripe fruit intensity together with silky texture and spicy nuances. Smooth and plump with elegant complexity. At its best: now to 2024.*

June 2021 *Unexpectedly classy for its price, this hugely drinkable French red is a blend of syrah (90%) and grenache, matured in vats and barrels. Deeply coloured, it is sturdy, with generous, youthful, plummy, spicy flavours, hints of black pepper and liquorice and supple tannins. Already delicious.*
