January 2023 *Aromas of white peach and white apricot, delicate floral tones, and a light mineral chalk quality. Youthful, bright, and fresh. A weighty wine on the palate with a gentle creaminess, moderate acid line and warming alcohol. Flavours reflect the bouquet white-fleshed stone fruits especially apricot, a balanced and well-made ready to drink from day of purchase through 2025.*

March 2023 *Attractively fruited and delightfully expressed with baked apple, apricot, warm spice and oatmeal characters, it's succulent and flavoursome in the mouth offering soothing texture and gentle acidity. A lovely rendition of the variety with attractive generosity. At its best: now to 2025.*
