June 2023

Beautifully ripe and elegantly fragrant on the nose, showing green pear, fig, apricot and lemon peel aromas. The palate displays excellent weight and roundness, delightfully supported by creamy texture and juicy acidity, finishing long and silky. Style: Dry. At its best: now to 2030.

July 2023

Youthful, fragrant and fruit led bouquet of white fleshed tree and orchard fruits with pears and apple, white apricot, a touch of fruit and white spice from lees. Just dry with a whisper of residual sweetness, overall dry on the finish. Flavours mirror the bouquet with a texture of warmth and generosity. Acidity contrasts and carries the flavours throughout the palate, the texture is fresh and still youthful. Delicious, bright, fresh and food friendly. Best drinking from 2023 through 2027+.
