TASTING

Technical sheet by M. Pascal Léonetti "Best Sommelier of France 2006" September 2021

The color is golden yellow with green reflections, of good intensity. The disc is shiny, limpid and transparent. The wine presents youth.

The nose is frank, pleasant and intense. We perceive a profusion of fruity scents, lemon, candied and exotic orange, mango and fruits of the passion. The aeration amplifies these odors and reveals the banana, the grapefruit, papaya, flowers, rose and spices, candied ginger.

Year after year, the estate impresses with the quality of its Gewurztraminers. This is no exception to the rule. Exuberance, harmony, complexity and freshness sum up this maddening nose. A superb work!!!

The attack on the palate is dense, caressing and mellow. The alcohol support is balance. We evolve on a lively, elegant environment, marked by the pearl. We rediscover the aromas of the nose, dominated by citrus fruits, clementine, and orange candied, grapefruit, exotic, papaya, banana, mango, fruit passion, flowers, rose, spices, candied ginger. We perceive a fine bitterness. The finish is very long, 14-15 caudalies, thus than a fine liveliness and a lingering bitterness. The balance impresses with its dimension. Indeed, the softness mingles with the silky, while the liveliness underlines a stiring palette of aromas. Great wine!!!
