March 2023

*Splendidly composed, this stylish Burgundy show dark plum, cherry, clove and nutmeg aromas on the nose, followed by a beautifully layered palate that's ripe and supple. Tannins are elegantly fine and melded, making the wine velvety and persistent. At its best: now to 2030.*

February 2023

*Aromas and flavours of a classic village Pinot Noir with soft brown spices and earthy chalky soils woven between raspberry and red cherry, soft smoky tones of wood and roses. Fine tannins and medium acidity a wine that taste and reflects its place of origin. There's a soft perfume and rose quality too. A dry wine with a personality and charm with best drinking from 2023 through 2029.*
