March 2023

A lovely modern rendition offering ripe stone fruit, lemon pith and oatmeal notes on the nose, followed by a finely textured palate delivering creamy mouthfeel combined with refreshing acidity. Attractively elegant and immediately appealing. At its best: now to 2026.

February 2023

A fragrant, soft light white fleshed fruits and mineral bouquet. Scents of white peach with some lemon, a light weight chalky soil layer of cashew nut delicate oak quality. Satin touch on the palate with fruit and mineral flavours to mirror the bouquet, Medium+ acidity and light weight oak frame. Balanced and well made. Ready to drink from 2022 through 2028.
