

Listel

INDICATION GEOGRAPHIQUE PROTEGEE

TERRES DU MIDI

TERROIR *Terroir*

Terre du Midi finds its geographical scope in the "Midi Viticole" which originates from the Mediterranean Languedoc-Roussillon, veritable amphitheater organized in tiers and turned towards the Mediterranean sea, where three sets can be observed: mountains and its highlands, piedmonts and its middle lands, and finally, coastal plain.

PAIRING *Pairing*

A perfect partner throughout a meal, from appetizers to the main course and grilled meats through to the cheese. Ideal also as an aperitif wine.

SERVICE *Service*

Serve at 6 to 8°C
List of ingredients: Contains sulphites
GENCOD bottle: 3 244081500005

VINIFICATION *Vinification*

Rapid separation of the first juices by static draining of crushed berries. This gives us the very best of the juices, pale in colour, low in extracts and all for a wine full of finesse. Slow and cold alcoholic fermentation at 16°C.

TASTING NOTES *Notes*

Listel Grain de gris : Pale pink coralish color, expressive nose with fresh red fruits and yellow fruits (peach) and a citrus touch. The aromatic palate has a beautiful red fruits and citrus expression and ends on a supple and greedy note.
