Aromas of fresh white tree fruits and baked goods, pith and lemon. Crunchy texture with a bold mousse mouthfeel accentuated by acidity and a touch of spice. Flavours of tree fruits and citrus along with baked goods make for an easy drinking expression in a just dry style. Drink from 2021 through 2023.

4.5 STARS & BEST VALUE IN TASTING

Joelle Thomson | Festive Fizz

December 2014

In the words of a certain film, there can be only one. And here it is: Pol Remy from France, which is imported to New Zealand by EuroVintage in Auckland. This is a lovely clean, fresh, zesty wine, which won the day's best value bubbly on two counts; first and foremost it has great intensity of flavour (yeasty, fresh bakery aromas and citrusy aromas) and, secondly, it is outstanding value for money; our jaws dropped when the price was revealed... Talk about outstanding value for money; this bottle fermented French bubbly sets a new high when it comes to top value for money and a lovely fresh, flavoursome, weighty, yeasty wine that delivers top quality for an extremely attractive low price.
