COFFEE LIQUEUR WITH TEQUILA BLANCO

This exquisite elixir has been carefully prepared by fusing the tradition of tequila blanco with the intensity and distinction of high-altitude coffee from the Pluma, Oaxaca region.

This product captivates the senses with a sweet flavor, where intense coffee notes intertwine with light but irresistible notes of vanilla and chocolate. Each sip is a unique sensory experience, carrying with it the richness of the region's culture and craftsmanship.

This liqueur redefines the category, offering a unique fusion that reflects the passion and quality that distinguish us.
