Perfect for everyday enjoyment, you will love how the filled aromas, fresh clean flavors and vibrant effervescence tickle your senses. Pale straw in colour, Ca' Montini displays sweet aromas of white flowers, lemon skin and peaches. On the palate it is effervescent, with a dry yet-fruity body which ends with a lemon curd, honey butter and mineral finish. Ideal as an aperitif but also pairs well with seafood.

5 stars, Sam Kim, Wine Orbit, April 2025
It's elegantly fragrant on the nose with green rockmelon, Gala apple, fig, and lemon peel aromas. The palate displays fine texture and silky flow, well supported by juicy acidity, making it refreshing and fabulously drinkable.

90 Pts, Cameron Douglas MS, April 2025
Bright & fruity with aromas & flavours of white peach & green grapes, there's a fine lees & floral lift then a citrus fresh layer & a wet pebble mineral moment. Crisp & just dry with a core of ripe fruit flavours that match the bouquet. As the wine touches the palate a rush of mousse with small to not so small bubbles are released. Balanced, well made & crisp with a refreshing finish. Best from 2025 through 2029.
