Great colour and varietal intensity with aromas of blackberry and purple skinned plum. There are scents of ashen dried earth and peppery spice ideas then violet. Firm and dry with a medium weight, taut texture and plenty of acidity. Flavours of raspberry and plum are framed by piquant tannins and a backbone of acidity leading to a youthful medium finish. Best drinking alongside food with plenty of protein. Cheese boards a recommended partner. Best drinking from 2026 through 2030+.

The bouquet is sweetly ripe and fragrant, and shows dark plum, tapenade, clove, and almond characters. It's juicy and silky in the mouth, offering bright fruit flavours with savoury nuances, leading to a lengthy, fruity finish. At its best: now to 2027.
