PUNTA DIAMANTE
REPOSADO

Tequila Don Ramón Punta Diamante Reposado is double-distilled and rested in white oak, resulting in a smooth, subtle taste and robust profile.

Made from 100% Blue Agave from the highlands of Jalisco, Mexico, this golden spirit can be described spiced and herbaceous with an essence of caramel pulled from the barrel. The aging process allows the spirit to mellow and take on a deep and complex character. A sip reveals an enticing body with a balanced herbal and citrus finish.
