PUNTA DIAMANTE
SILVER

Tequila Don Ramón Punta Diamante Silver is double-distilled for a smooth and clean taste and pure profile.

Made from 100% Blue Agave from the highlands of Jalisco, Mexico, this clear spirit can be described as bright, fresh, and floral. Selectively harvesting mature agave and the extra step of pressing the agave prior to cooking, results in a pronounced herbaceous flavor. A sip reveals a hint of sweetness that evolves into a warming minerality.
