

EDINBURGH GIN CANNONBALL

A RICH NAVEL HERITAGE AND EDINBURGH'S FAMOUS ONE O'CLOCK GUN IS WHERE WE FOUND OUR INSPIRATION FOR THIS PEPPERY, YET SMOOTH, NAVY STRENGTH GIN. A HOMAGE TO EDINBURGH'S WONDEROUS SEAFARING PAST.

Edinburgh Cannonball Gin is a gin that lives up to its evocative name. Bottled at 57.2% abv, 100% proof. This higher alcohol content allows our distillers to add more botanicals, it has almost double the juniper and citrus than any other expression in the Edinburgh Gin range, this allows for a smoother mouth feel which counteracts the heat from the spirit. This is complimented by Szechuan peppercorns which give a warming tingle to the finish. Strong in both alcohol and flavour.

Cannonball is a favourite with bartenders, the balance of juniper, yuzu and Szechuan pepper married with its punchy strength and full character make it a superb liquid to use in everything from a G&T to classic cocktails, like a Martini or a Negroni.

USPs

- Gold Medal winner at the Bartender Brand Awards
- An On trade favourite: *"It's the wonderful balance of juniper, lemon and Szechuan pepper with the punchy strength and full character, that make it such a superb liquid to use in everything from a G&T to classic cocktails."*

JAMES SUTHERLAND, OWNER 56 NORTH AND HOST OF 'TALK GIN' PODCAST

"The higher alcohol content of navy strength gin allows us to add a greater amount of botanical mass which delivers a HUGE and full flavoured gin. A bartender favourite, the tingly spice of Szechuan pepper balances with zesty Japanese yuzu and loads of big round Tuscan juniper to deliver a burst of flavour which works perfectly in a Dry Martini or Negroni. I also like to drink mine over ice."

FLAVOUR STORY AND TASTING NOTES

A rich navel heritage and Edinburgh's famous One o'clock Gun is where we found our inspiration for this peppery, yet smooth, Navy Strength gin. A homage to Edinburgh's wonderous seafaring past.

Bottled at 57.2% abv, 100% proof. This higher alcohol content allows our distillers to add more botanicals. With almost double the juniper and citrus than anything else in the Edinburgh Gin range, this allows for a smoother mouth feel which counteracts the heat from the spirit. This is complimented by Szechuan peppercorns which give a warming tingle to the finish. Strong in both alcohol and flavour.

A characterful, vigorously refreshing gin that will leave an impression.
