**INSPIRED BY  
THE WONDER  
OF SUCCULENT,  
BOUNTIFUL SOFT  
FRUITS OF SCOTLAND.**

Our Raspberry Gin is a 40% abv expression of our much-celebrated flavour pioneer, Raspberry Gin Liqueur. Fashioned using locally sourced raspberries from the soft fruit capital of the UK, Perthshire.

Taking advantage of the best of seasonal Perthshire Raspberries, directly sourced from the farmers door, we distil a sweet and delicious gin with real depth of flavour, very much reminiscent of raspberry jam.

The distillation of fresh and dried raspberries together balances the flavour of this gin, the fresh raspberries bring a fresh tart raspberry flavour, the dried raspberries impart an exquisite, sweet depth. This is all rounded off by the use of raspberry leaves that give a satisfying subtle herbal aroma and floral flavour.

Definitive red berry aromas balanced with sweet ripeness. On the palate red berry fruit with fresh floral notes creating a perfectly balanced gin with an incredible depth of natural flavour.

Serve with a couple of raspberries and a twist of zesty lemon peel.

*"We're constantly inspired by the world around us to distil differently. Just a few miles from Edinburgh, acres of rolling fruit farms grow thousands of the most delicious berries in the world. When the time is right, we harvest them at the height of their natural flavour, capturing their natural flavour in our Raspberry Gin. The end result is a drink that's exceptionally fresh and sweet."*
