

RASPBERRY GIN LIQUEUR

**INSPIRED BY
THE WONDER
OF SUCCULENT,
BOUNTIFUL SOFT
FRUITS OF SCOTLAND.**

Our Raspberry Gin Liqueur was launched in 2011. It was the first product to bring natural flavour to the category during the gin renaissance. It is crammed with soft fruits picked at peak ripeness from the best raspberry fields in Scotland and the world.

With Edinburgh Classic Gin at its heart, we take advantage of the best of seasonal Perthshire raspberries, to make a sweet and delicious gin liqueur with real depth of flavour, very much reminiscent of raspberry jam.

Definitive red berry aromas balance sweet ripeness on the nose. Syrupy and intensely flavoured, bursting with red berry fruit on the palate. The finish is a fully rounded, unabashedly raspberry bursting with natural flavour.

The summers freshest raspberries come to life in fizz, soda or in lemonade.
