

RHUBARB & GINGER GIN

INSPIRED BY THE
MAGICAL CITY OF
EDINBURGH, WHAT LIES
WITHIN EACH BOTTLE
OF EDINBURGH GIN IS
FAR FROM ORDINARY.

Having successfully introduced Rhubarb & Ginger Gin Liqueur to the UK drinks market, it was a natural step to produce a full strength version of this award winning flavour combination at 40%.

Our Master Distiller has taken great care to get Rhubarb & Ginger Gin just right. Beautifully balanced and crafted, warm spiciness, tangy sweetness, more juniper and more gin. This Rhubarb & Ginger Gin may be inspired by our Liqueur, a true original – but is distinctive in its own right. A demonstration of natural flavour expertise.

Our Classic London Dry is at the base, botanicals including aromatic lemongrass and sweet mulberry are joined by natural rhubarb and ginger, carefully sourced, pressed, then finally infused together. The result is a bright and sociable gin with a little heat, an abundance of fruit, crisp, piney notes and a full finish.

Pour long, pour short. Shake in a cocktail or keep it simple with tonic.

Often imitated, never duplicated. Always filled with wonder. Enjoy.

"As our most loved flavour combination and as close to our hearts as Edinburgh Classic Gin, it made sense for us to take our gin liqueur and create a 40% Rhubarb & Ginger gin. We experimented over many months to find the perfect amount of spice, and the ideal balance to its sweetness. What emerged was something complex, memorable and absolutely delicious – it's a gin that works alone, or in a multitude of serves."
