January 2021 *Bright and fresh, this is fabulously lifted on the nose showing raspberry, sweet strawberry, floral and crunchy apple aromas, followed by a fruit-forward palate that's juicy and refreshing. It's upfront and tasty with loads of vibrant flavours.*

January 2021 *There's a welcoming light and refreshing bouquet with a floral, citrus and lite red fruit scents. Subtle pink hues lead to aromas of fresh red cherries and red apple skin. Very fruity on the palate with a core of lite red fruit flavours, some citrus peel and while the wine finishes dry there are moments of residual sweetness just before the refreshing acidity kicks in. Balanced and well made. Drink now and through 2022.*
