## Glenalmond Highland Blended Malt Scotch Whisky

Aged to perfection on specially selected bourbon and sherry casks. Only exceptional casks make the grade to be added to Glenalmond.

To produce Glenalmond we have chosen only the best malts from a group of Scotland's finest malt whisky distilleries. Matured together until just the right marriage of flavours is achieved, the result is a glorious malt which is dangerously easy to drink.

### Tasting Notes

- Nose:** Sweet malt and vanilla. Caramel, spice and a touch of honey.
- Palate:** Soft fruity delivery. Beautiful gristy sugar-vanilla balance with mouthwatering sherry overtones. More spice and fruit.
- Finish:** Long and lingering. Delightful.
