*Vibrant deep red with polished purple edges. Intense and lifted fruity nose, basketfuls of mulberry, blackberry, loganberry and plums, tossed with warm Asian spices and a smoky curve ball. This is gloriously fresh, juicy and vibrant. The tannins are there, smiling in the background, the alcohol is wonderfully balanced and all elements are there to showcase the intense concentration of juicy fruit. ### Tina Gellie | Decanter Magazine

July 2015

*The name of this wine refers not to the number of varieties in it but the secret Graham's code winemakers chalked on to barrels to describe their contents – the best, vintage Port-quality wines were marked with six grapes. This is a bright, fresh, juicy Port, full of spiced dark fruit and grippy tannins. Top value.*

May 2013

*A Reserve wine, based on fruit from Graham's first-class vineyards in the Vintage Character style. 20.0% alc. Seen as similar to a 5 y.o. Vintage Port. Very dark, saturated black-red colour. The bouquet is full and harmoniously presented with ripe black berry fruits and opulent plum notes with cherry piquancy. All of the components are well-integrated and show a completeness. Sweet to taste, lusciously rich and succulently ripe black berry and plum fruits are the feature on palate. The mouthfeel is refined and composed with building depth and richness and the flavours flow seamlessly. Fine-grained tannins underline the fruit and the spirit is very integral. An array of subtle fruit nuances and spices blossom on the finish. This will match rich berry fruit and chocolate-based desserts and strong cheeses.*

## SILVER MEDAL

### International Wine Challenge 2013
